# OUR SERVICES

## Comprehensive Solutions for Modern Infrastructure

We offer a wide range of integrated solutions to meet the evolving needs of modern buildings and industrial facilities. Our expertise spans design, engineering, fabrication and execution — ensuring quality, efficiency and long-term value.

**Design & Build**

**Pre-Engineered  
Buildings (PEB)**

**Structural Steel  
Solutions**

**Roofing &  
Cladding**

**Skylight  
Systems**

**Tensile Fabric  
Structures**

**Architectural  
Facades**

**Specialty  
Metal Works**

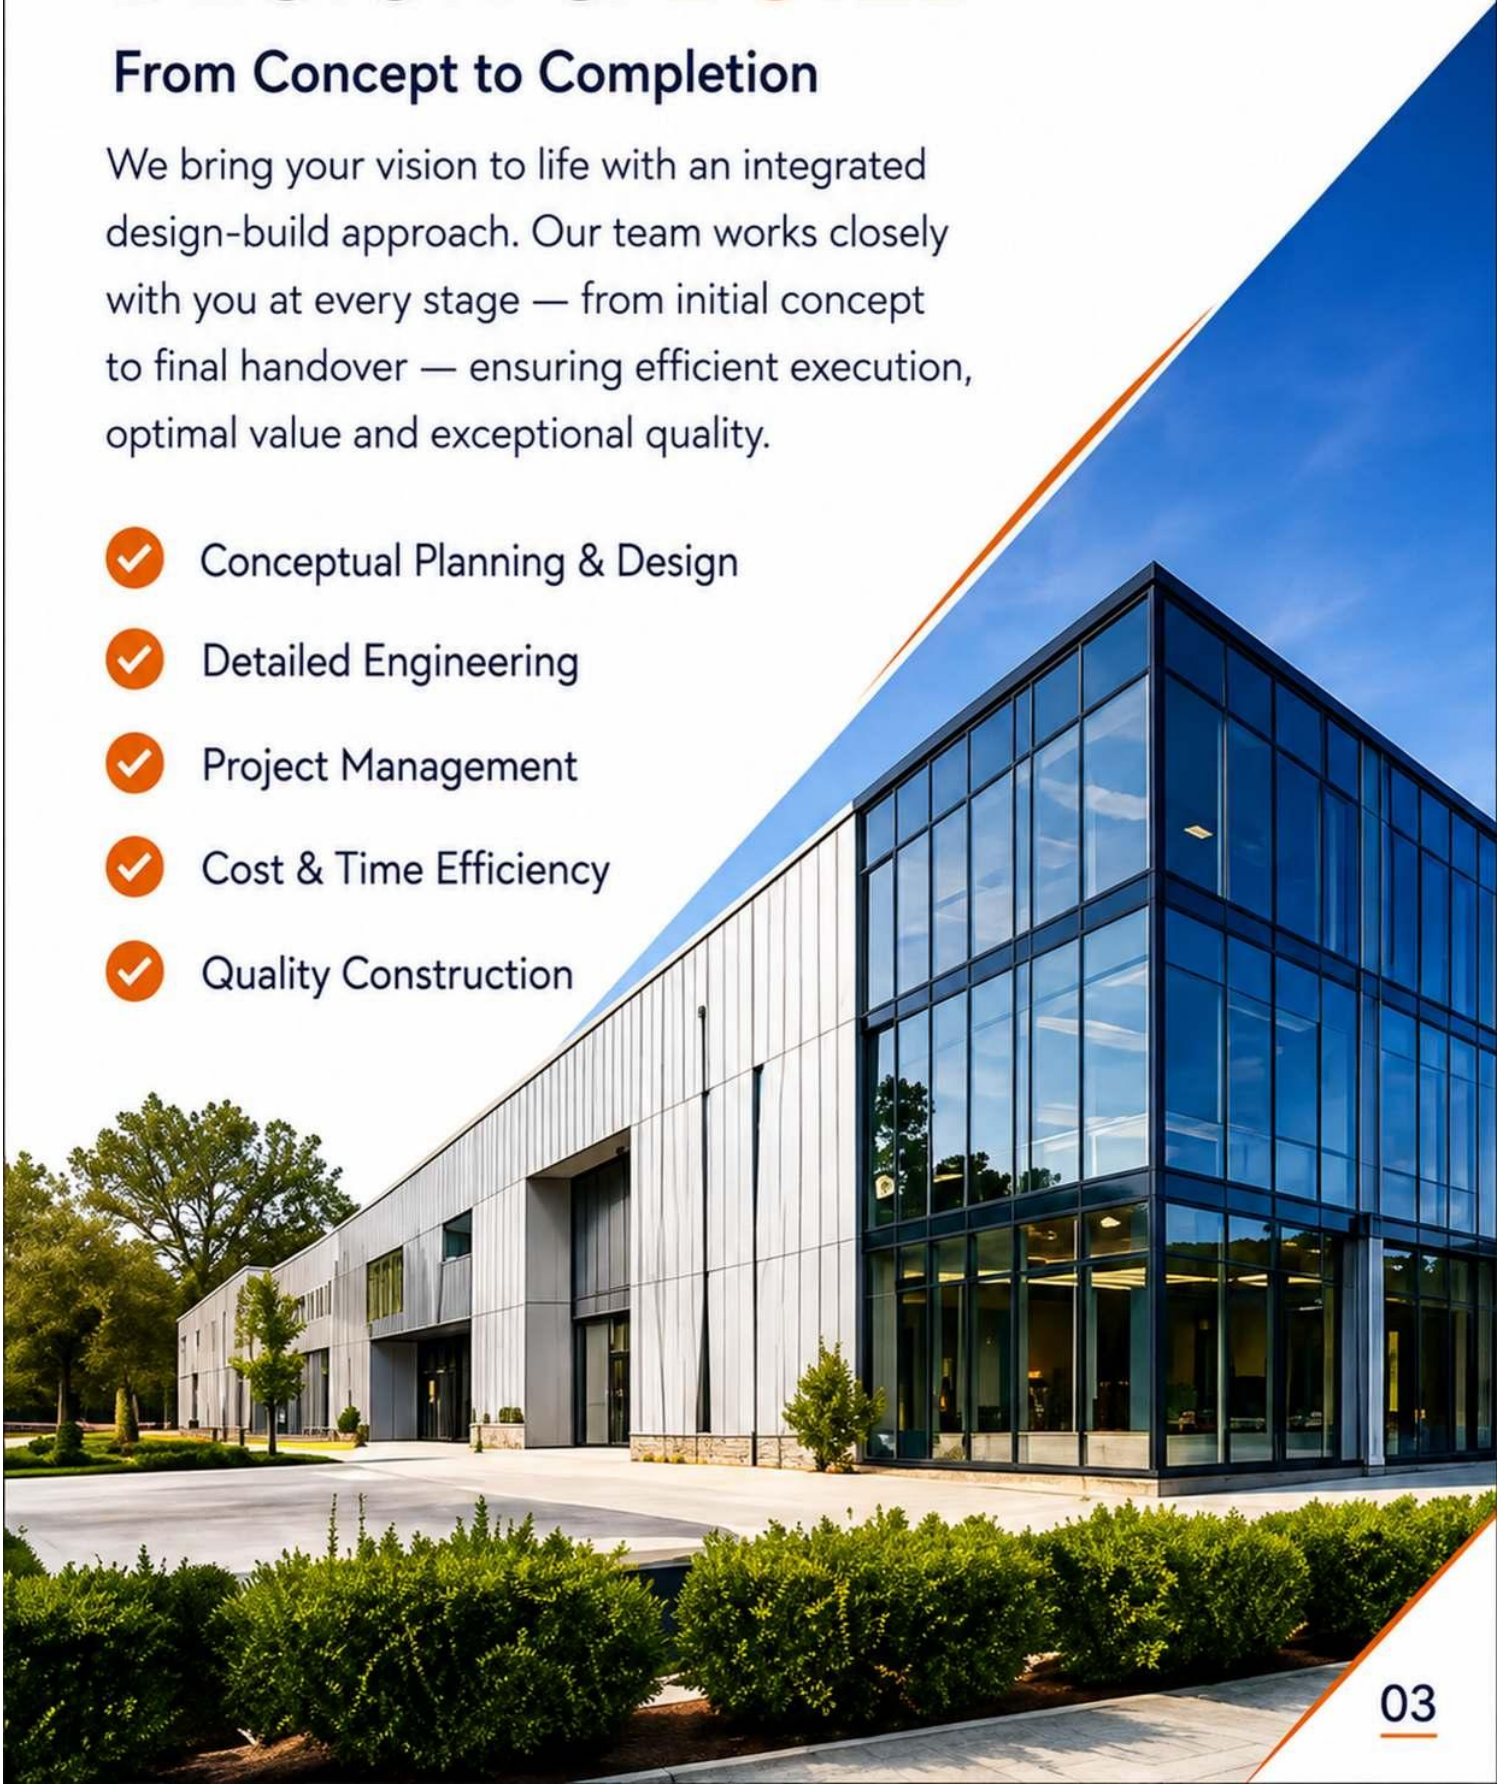

**Retractable  
Systems**

# DESIGN & BUILD

## From Concept to Completion

We bring your vision to life with an integrated design-build approach. Our team works closely with you at every stage — from initial concept to final handover — ensuring efficient execution, optimal value and exceptional quality.

- ✓ Conceptual Planning & Design
- ✓ Detailed Engineering
- ✓ Project Management
- ✓ Cost & Time Efficiency
- ✓ Quality Construction

# PRE-ENGINEERED BUILDINGS (PEB)

Smart, strong and cost-effective  
buildings for every need.

- ✓ Custom Design
- ✓ High Strength Steel
- ✓ Quick Installation
- ✓ Cost Efficiency
- ✓ Low Maintenance
- ✓ Expandable

# STRUCTURAL STEEL SOLUTIONS

## Strength in Every Structure

We deliver precision-engineered steel solutions that form the backbone of modern infrastructure. Our capabilities include design, fabrication and erection of complex steel structures.

- ✓ Industrial Structures
- ✓ Commercial Buildings
- ✓ Bridges & Infrastructure
- ✓ Heavy Fabrication
- ✓ Timely Delivery

# ROOFING & CLADDING

## Protection with Performance

Our roofing and cladding systems combine durability, aesthetics and energy efficiency to enhance building performance and longevity.

- ✓ Profiled Metal Roofing
- ✓ Wall Cladding Systems
- ✓ Insulated Panels
- ✓ Weather Resistance
- ✓ Aesthetic Finishes

# SKYLIGHT SYSTEMS

Bring in natural light,  
improve aesthetics,  
increase efficiency.

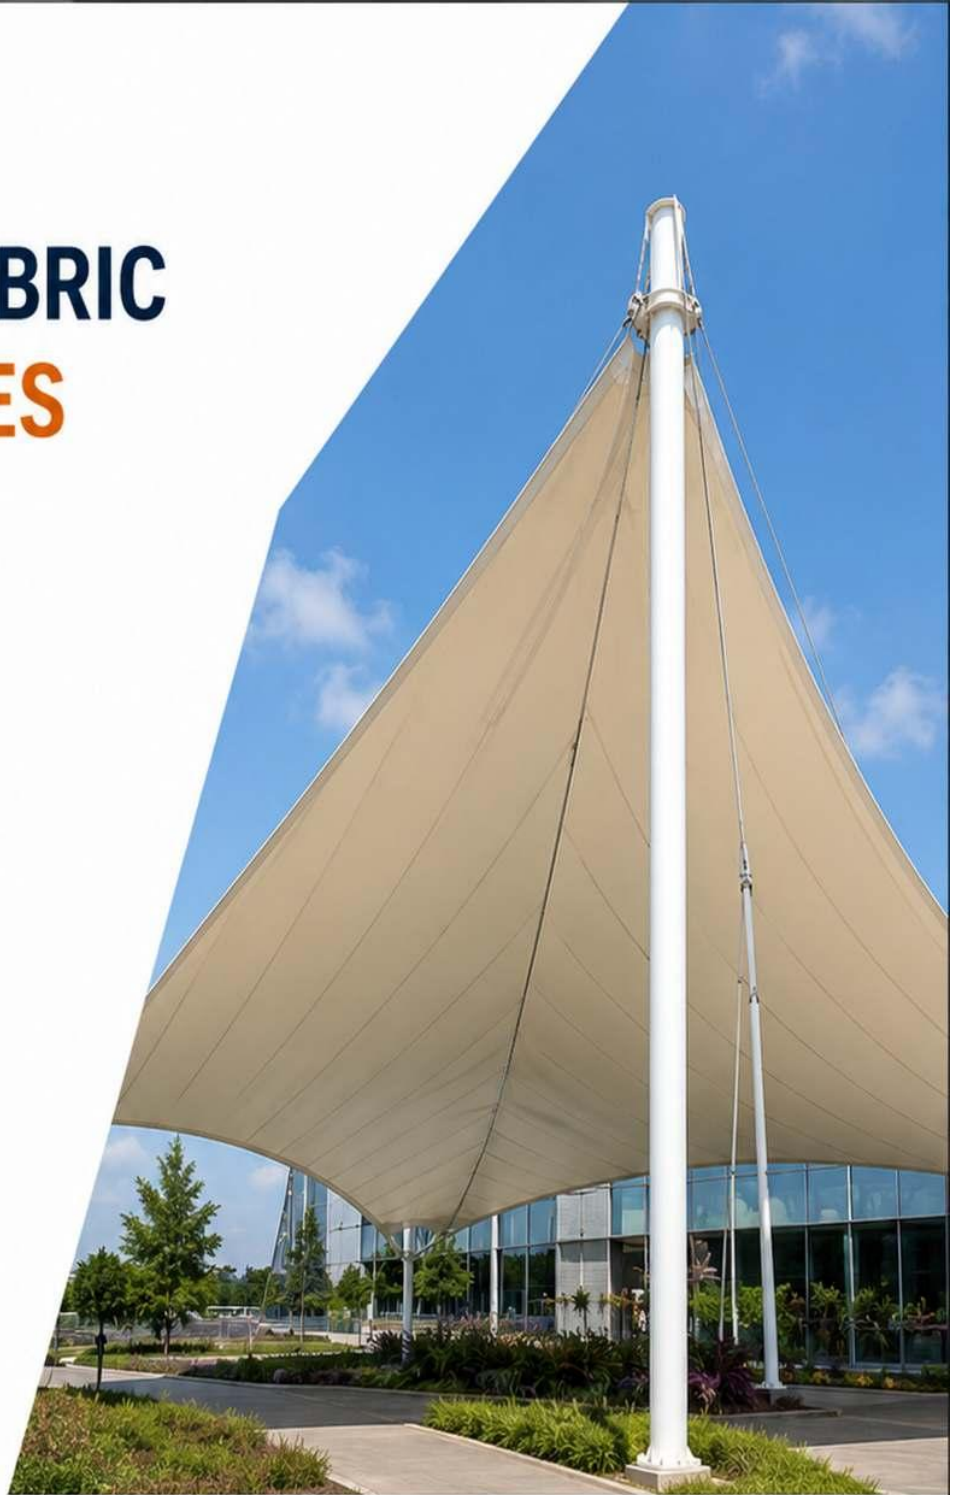

- Engineered Skylights
- Retractable Skylights
- Glass Skylights
- Polycarbonate Skylights

# TENSILE FABRIC STRUCTURES

Elegant, innovative and  
built for the future.

- Canopies & Shades
- Membrane Structures
- Sports & Recreation
- Weather Protection
- Innovative Designs

# ARCHITECTURAL FACADES

Design that defines identity  
and leaves a lasting  
impression.

## 01 | ACP & METAL FACADES

Sleek, durable and modern  
exterior solutions.

## 02 | DECORATIVE SCREENS

Creative patterns that blend  
form with function.

## 03 | LOUVERS & SUNSHADES

Enhance comfort, efficiency  
and building performance.

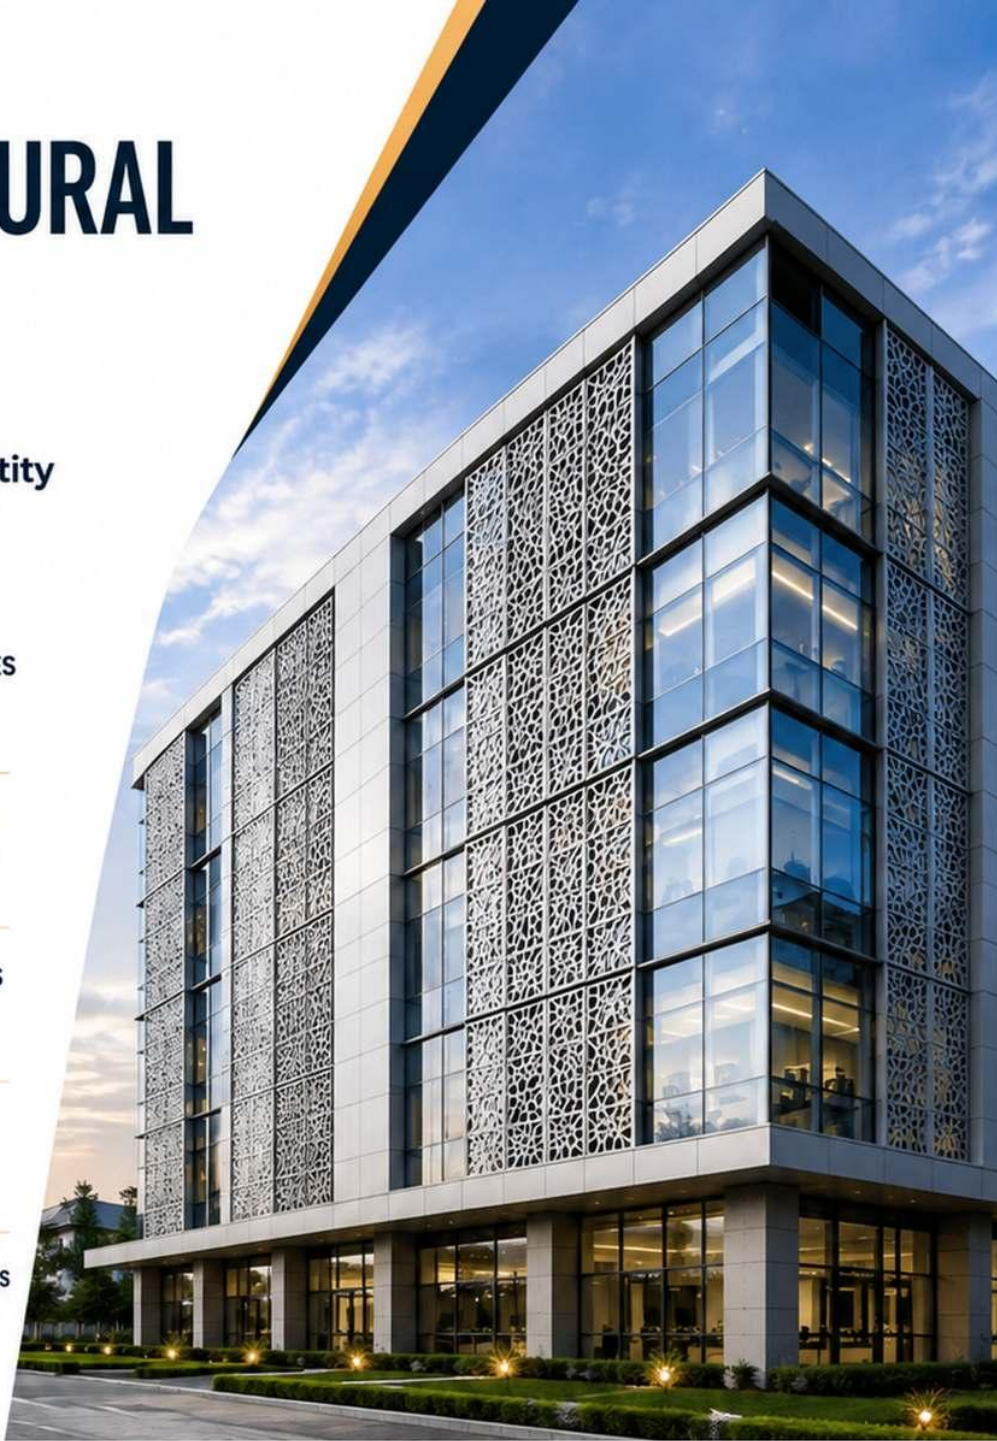

## 04 | GLASS FACADES

Elegant transparency with  
high performance.

## 05 | CUSTOM DESIGN SOLUTIONS

Tailored designs that reflect  
your vision and brand.

## AESTHETIC APPEAL

Elevate the look of your building  
with distinctive designs.

## PERFORMANCE DRIVEN

Built to deliver durability, efficiency  
and sustainability.

## INNOVATIVE SOLUTIONS

Combining creativity, technology  
and precision.

# SPECIALTY METAL WORKS

Custom metal works  
crafted to perfection.

01

## STAIRCASES & RAILINGS

Strong, safe and stylish  
designs for every space.

02

## GATES & FENCING

Secure, durable and  
visually appealing.

03

## STRUCTURAL & MISCELLANEOUS

Reliable metal solutions  
for diverse requirements.

04

## DECORATIVE METAL WORKS

Artistic detailing that  
enhances aesthetics.

05

## PRECISION FABRICATION

Engineered with accuracy,  
built to last.

## BUILT STRONG. DESIGNED TO ENDURE.

Our specialty metal works combine  
strength, function and design to  
deliver lasting value.

DURABLE

# RETRACTABLE SYSTEMS

Flexible spaces.  
Smarter solutions.

## RETRACTABLE ROOFS

Open up to the sky or  
close for complete protection.

## AUTOMATIC OPENINGS

Smooth, quiet operation  
at the touch of a button.

## WEATHER PROTECTION

Shield your space from sun,  
rain, wind and more.

## MAXIMUM COMFORT

Control light, airflow and  
temperature with ease.

## DURABLE & RELIABLE

Engineered for performance,  
built to last.

## ADAPT. PROTECT. ENJOY.

Transform your space instantly  
with retractable roof and shading  
solutions designed for modern living.

NATURAL  
LIGHT

VENTILATION  
CONTROL

WEATHER  
RESISTANT

OPEN TO SKY

FULLY CLOSED

## PREMIUM DESIGN

Sleek, modern systems  
that elevate any  
architecture.

## ENGINEERED PERFORMANCE

Precision-built  
mechanisms for  
smooth operation.

## CUSTOM SOLUTIONS

Tailored configurations  
to suit your space  
and lifestyle.

## LOW MAINTENANCE

High-quality materials  
for long-lasting,  
hassle-free use.

# OUR APPROACH

## Collaborate. Engineer. Deliver.

We follow a structured approach to ensure seamless execution, from understanding your vision to delivering the final product with precision and care.

### 01 CONSULT

Understand your needs and project goals.

### 02 DESIGN

Innovative solutions tailored to your vision.

### 03 ENGINEER

Detailed planning and technical excellence.

### 04 DELIVER

On-time, on-budget with uncompromised quality.

### BUILT ON TRUST. DELIVERED WITH COMMITMENT.

Our approach ensures every project is executed with transparency, accountability and excellence.

#### TRANSPARENCY

Clear communication at every step.

#### COLLABORATION

Working together for the best results.

#### PRECISION

Attention to detail in everything we do.

#### QUALITY

Delivering lasting value and reliability.

# WHY CHOOSE US?

## Your Vision. Our Commitment.

---

We combine expertise, innovation and a customer-centric approach to deliver infrastructure solutions that stand the test of time.

- ✓ End-to-end solutions
- ✓ Skilled and experienced team
- ✓ Focus on quality and safety
- ✓ On-time delivery
- ✓ Transparent communication

# OUR PROJECTS

**BUILT WITH PURPOSE.  
DELIVERED WITH PRIDE.**

From innovative industrial spaces to iconic commercial developments, we create structures that inspire and endure.

## INDUSTRIAL WAREHOUSE

Spacious, efficient and built for performance. Designed to meet the demands of modern industry.

## PRE-ENGINEERED BUILDING (PEB)

Cost-effective, durable and highly customizable solutions for any industrial need.

## SKYLIGHT STRUCTURE

Natural light. Smart design. Enhanced energy efficiency and a better environment.

**INDUSTRIAL FACILITY**  
Modern architecture meets industrial functionality.

**COMMERCIAL BUILDING**  
Contemporary designs that redefine workspaces.

**INTERIOR DESIGN**  
Thoughtful spaces. Timeless design. Lasting impressions.

## ENTRANCE GATEWAY

Grand entrances that make a lasting first impression.

## TENSILE STRUCTURES

Elegant, strong and engineered for versatility.

## CAR PARKING SHED

Functional and aesthetic shelters built to last.

**120+**  
PROJECTS  
COMPLETED

**25+**  
HAPPY  
CLIENTS

**15+**  
YEARS OF  
EXPERIENCE

**100%**  
COMMITMENT  
TO QUALITY

# OUR PROJECTS

## Building Excellence. Delivering Trust.

A glimpse of our successfully completed projects across industrial, commercial and infrastructure segments.

### QUALITY CONSTRUCTION

Built with precision and attention to every detail.

### ON-TIME DELIVERY

Committed to timelines and project milestones.

### INNOVATIVE DESIGN

Smart solutions tailored to modern needs.

### LASTING VALUE

Structures that stand strong for generations.
